BEST OF LUCK FOR EXAMS

NEW YEAR, NEW ME!

2024 has arrived! As the year changes and the clock strikes midnight, a new story unfolds within the halls of DRS International School. The New Year in our school isn't just an extravaganza; it's a moment of revitalisation, evolution, and the guarantee of fresh possibilities. Reflecting on the past year, it's clear that 2023 was a great year for DRSIS.

In 2023, we not only promoted clubs as extracurricular activities but also introduced many New Clubs. With the 2023 Investiture Ceremony, Social Science Week, Science Week, Mathematics Week, various Sports Meets, Model United Nations, and Annual Day all being huge successes, With a sense of gratitude and enthusiasm, we now embark on the endeavors of 2024.

GRADE X'S PREBOARD II EXAM

Grade X students have successfully completed the second pre-board examination at the beginning of the year, displaying a positive outlook and thorough preparation before embarking on the Sankranti break. The diligent approach exhibited by the students during this assessment reflects their commitment to academic excellence. This positive momentum, coupled with their dedication, bodes well for their continued success in the academic year ahead.

Makar Sankranti Break

The festival of Sankranti holds substantial cultural and religious significance in India. Celebrated annually on either January 14th or 15th, it symbolizes the conclusion of the winter solstice and the onset of longer days.

Students of DRSIS were granted a winter vacation from the 10th to the 17th of January, providing them with the opportunity to celebrate this festival with their families. During this break, they had the chance to savor the clear, breezy blue skies adorned with vibrant kites, contributing to a joyous and festive atmosphere.

Special Assembly by Grade VIII & IX

Happy
makara
Sankranti

Grades VIII and IX collaboratively orchestrated a special assembly, focusing on the significance of celebrating Makar Sankranti and highlighting the theme "Ek Bharat Shresth Bharat," with a specific emphasis on Jharkhand. The assembly served as a platform for students to articulate and share insights into the cultural and traditional importance of Makar Sankranti. Additionally, it showcased the diverse cultural heritage of Jharkhand as part of the broader theme, "Ek Bharat Shresth Bharat." Through presentations, discussions, and possibly performances, the students aimed to enlighten the school community on the cultural richness encapsulated in both the Makar Sankranti festivities and the unique cultural identity of Jharkhand.

"Harmony of Mind and Body: The Crucial Role of Yoga in Academics"

In the realm of academics, the incorporation of yoga emerges as a transformative practice, fostering holistic well-being and enhancing the learning experience. The seamless integration of physical postures, controlled breathing, and mindfulness techniques aligns harmoniously with the rigors of academic pursuits.

Yoga serves as a potent tool for stress management, a common companion in the academic journey. By engaging in regular yoga practice, students can alleviate the physical and mental strains associated with rigorous study routines. The cultivation of mindfulness enables learners to stay focused, promoting mental clarity and enhancing cognitive abilities.

Furthermore, yoga contributes to improved concentration and heightened self-awareness, attributes essential for academic success. The emphasis on controlled breathing techniques enhances oxygen supply to the brain, optimizing cognitive function and memory retention. As students navigate the complexities of coursework, the practice of yoga provides a valuable foundation for enhanced academic performance.

Physical Education facilitator, DRSIS

छात्रों को स्वयं सफल बनाने के सटीक उपाय

-By Ms.Suniti Mishra & Ms. Anju Soni
Hindi Facilitators

प्रतिदिन कक्षा में अध्यापिका द्वारा पढाये गए पाठ का ध्यानपूर्वक सुनना
कठिन शब्दों के अर्थों को आत्मसात करना ।

शब्दों को सुनकर वाक्य में प्रयोग करना

वाचन के अंतर्गत छात्र सुनकर उचित रूप से शब्दों का उच्चारण करे ।

शुद्ध वाचन के माध्यम से शुद्ध लेखन की क्षमता का विकास होगा ।

प्रतिदिन कक्षा में छात्र पाठ के सार का वाचन करेगा ।

पढाये गए पाठ के छोटे -छोटे वाक्यों का प्रतिदिन स्व लेखन करना ।

पाठ को बोधगम्य कर छोटे-छोटे प्रश्नों के उत्तर देने का अभ्यास करना ।

हिंदी भाषा सिखाने का स्तरीय तरीका

किसी भी भाषा को सीखने के लिए सबसे पहले उस भाषा का अक्षर , मात्राएं, शब्दों का अर्थ एवं व्याकरण का ज्ञान होना जरूरी है। फिर परस्पर वार्तालाप से उसमें दक्षता प्राप्त हो सकती है।

केवल पढ़ने और लिखने के अभ्यास से ही कोई छात्र अपने हिंदी भाषा कौशल में सुधार कर पाएगा। छात्र न केवल अपनी लिखावट और लिखने की गति में सुधार करने में सक्षम होंगे बल्कि गद्य भागों के साथ भी सहज होंगे।

संवाद और बोलचाल: भाषा सीखने का अच्छा तरीका उसे प्रैक्टिस करना है। आप वार्तालाप में सक्रिय हों, भाषा क्लब, संगठन या समूहों में शामिल हों, या व्यक्तिगत संवाद का उपयोग करें। इससे आपकी सुनने, बोलने, पढ़ने और लिखने की कौशलता मजबूत होगी इसलिए ही कहा गया है --- “करत -करत अभ्यास से जड़मति होत सुजान”

बोर्ड परीक्षा की तैयारी कैसे करें?

अपना पाठ्यक्रम का पता जरूर कर ले ...

पुराने प्रश्न पत्र हल करें : ...

अपनी सोच सकारात्मक रखें: ...

टाइम टेबल बनाएं: एक स्टूडेंट के लिए सबसे ज्यादा जरूरी होता है सही टाइम टेबल का होना। ...

पढ़ाई का अपना समय सारणी तैयार करें. ...

जो विषय या पाठ आपको ज्यादा कठिन लगते हैं, उन्हें ठीक से पुनः अभ्यास करें. ...

अगर आपको लिखने में आलस आता है तो बोर्ड परीक्षा 2023 का पुनः अभ्यास लिखकर करें.

बोर्ड परीक्षा में पूछे गए प्रश्न को जरूर हल करें ...

स्थिर और शांत अध्ययन वातावरण बनाये।

बोर्ड परीक्षा की तैयारी के लिए पुनः अभ्यास सबसे अहम होता है। रिवीजन करने से आपने जो पढ़ा होता है वह अच्छी तरीके से मतिष्क में रहता है। पुनः अभ्यास करते समय छोटे से छोटे बिंदु का ध्यान रखें। क्योंकि कभी-कभी बोर्ड परीक्षा के अंदर बहुविकल्पी वाले प्रश्न पाठ के बीच में से भी पूछे जाते हैं। इसलिए बोर्ड परीक्षा की तैयारी करते समय पुनः अभ्यास अच्छे से करें ताकि आप बहुविकल्पी के एक-एक अंक से भी अपने पूर्णांक बढ़ा सकते हैं।

(कोशिश करने वालों की कभी हार नहीं होती)

लहरों से डर कर नौका पार नहीं होती,
कोशिश करने वालों की कभी हार नहीं होती॥

नहीं चींटी जब दाना लेकर चलती है,
चढ़ती दीवारों पर,सौ बार फिसलती है॥

मन का विश्वास रगों में साहस भरता है,
चढ़कर गिरना,गिरकर चढ़ना न अखरता है॥

आखिर उसकी मेहनत बेकार नहीं होती,
कोशिश करने वालों की कभी हार नहीं होती॥

डुबकियां सिंधु में गोताखोर लगता है,
जा जा कर खाली हाथ लोटकर आता है॥

मिलते नहीं सहज ही मोती गहरे पानी में,
बढ़ता दुगना उत्साह इसी हैरानी में॥

मुट्टी उसकी खाली हर बार नहीं होती,
कोशिश करने वालों की कभी हार नहीं होती॥

असफलता एक चुनौती है,इसे स्वीकार करो,
क्या कमी रह गई,देखो और सुधार करो॥

जब तक न सफल हो,नींद चैन को त्यागो तुम,
संघर्ष का मैदान छोड़ कर मत भागो तुम॥

कुछ किये बिना ही जयजय कार नहीं होती,
कोशिश करने वालों की कभी हार नहीं होती॥

Acing MATH

-By Mr. Tanmoy Maji, Senior Secondary Math Facilitator,
HOS - Mathematics

To excel in mathematics examinations, it is imperative to adopt a strategic and disciplined approach. Here are some key guidelines to enhance your preparation and performance:

Solve Previous Years' Questions and Sample Papers:

Familiarize yourself with the exam pattern and question types by solving previous years' questions and sample papers.

Analyze the solutions to understand the intricacies and patterns of questioning. Regular practice with diverse question papers will expose you to a variety of problems, refining your problem-solving skills.

Understand the Marking Scheme:

Pay meticulous attention to the marking scheme. Even if the final answer is incorrect, partial marks can be awarded for correct steps and calculations. Ensure that you are well-acquainted with the method of allocation of marks for different steps in a problem.

Time Management:

Practice time management during your preparation by setting a time limit for solving each question.

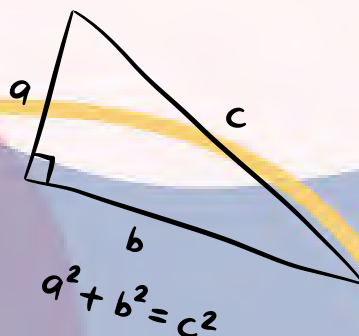

During the actual exam, allocate time judiciously to ensure that you can attempt all questions and have sufficient time for review.

Revise Thoroughly:

Utilize mapping techniques to ensure that you review all essential topics systematically. Regularly practice a variety of questions to reinforce your understanding of different problem-solving approaches.

The Three P's: Practice, Practice, Practice:

Consistent and thorough practice is the key to mastering mathematical concepts. Regularly engage in problem-solving exercises and practice various types of questions.

$$d = \sqrt{(x_2 - x_1)^2 + (y_2 - y_1)^2}$$

75th Republic Day Celebrations

On 26th January, the campus of DRS International School radiated with patriotic fervor and enthusiasm as the school community gathered for a grand celebration of the 75th Republic Day of India. The day commenced with the rhythmic beats of the school band, setting the tone for a day filled with reverence and pride. The highlight of the morning was the ceremonial hoisting of the national flag by our esteemed Chairman Shri. Dayanand Agarwal Sir ji, the Chief guest for the day. Students, clad in traditional attire, took center stage with a myriad of cultural performances that showcased the rich tapestry of India's heritage. From classical dances to patriotic songs, each performance resonated with the diverse cultural ethos that defines our nation. Another highlight of the ceremony was the presentation of staff recognition awards, acknowledging their exemplary contributions to the school. Our Chairman Shri Dayanand Agarwal Ji delivered an inspirational address, encouraging students to be responsible and active participants in the democratic process. The celebrations concluded with an energetic patriotic dance performance which was a powerful reminder of our shared identity and commitment to the nation.

Mesmerizing glimpses of the Republic Day.

Blessing ceremony for Grade X & XII

On January 27th, the school radiated with an aura of positivity and hope as we came together for a memorable Blessing Ceremony dedicated to our CBSE Grade X & XII students of 2023-24. The ceremony unfolded with a mesmerizing invocation dance, creating a serene atmosphere that resonated throughout the entire event. Our beloved Principal, Mr. Shanmugham Paramasivan, graced the occasion with his words of wisdom and encouragement. Ms. Suniti Mishra, our esteemed senior Hindi Facilitator, shared insightful words about achieving success in the upcoming board exams. The students, in turn, shared their experiences, offering heartfelt testimonies about their journey through school life. A highlight of the day was the presentation of citations to the students by their class teachers, a symbolic gesture representing the acknowledgment of their hard work and dedication. As we navigate the crucial period leading up to the examinations, we are confident that the positive energy and blessings bestowed upon our students during this ceremony will serve as a guiding light on their path towards achieving their academic goals.

AU REVOIR! GOODBYE TILL WE MEET AGAIN!

The School rolled out the red carpet for a night of cinematic magic as we bid farewell to our Grade XII seniors in a movie-themed extravaganza – "Aurevoir." The event was a blockbuster success, blending glamour, nostalgia, and the spirit of celebration. The evening kicked off with a grand entrance, reminiscent of a Hollywood premiere, where students walked down the red carpet amidst cheers and applause. The venue was transformed into a reel-life wonderland, with decorations inspired by iconic movie elements, from classic film reels to glittering gold stars. The heartbeat of Aurevoir was the lively DJ, spinning tunes that had the dance floor buzzing with energy. From classic hits to the latest chart-toppers, the soundtrack of the night was a perfect blend, just like a well-scripted movie. Our Guests of honor & Mr/Ms.DRSIS Jury for the day were renowned Fashion choreographers & Mrs. India Finalists Ms. Bindu Bharat & Ms. Praveena Praveen Kumar. The graduating seniors, were treated to a special tribute featuring a heartwarming video montage that captured moments from their school journey, evoking laughter & tears. The culinary delights served were nothing short of a gourmet blockbuster. From Best dressed competition to Mr/Miss Talented Eight titles were awarded to the deserving students inspired by famous movie characters with Mr & Miss titles going to Sumedh Paul & Kervi respectively. However Ananya & Manas won the titles Miss & Mr Talented and Khadijah & Purushottam were crowned the best dressed. Aurevoir night was indeed celebration of creativity, friendship, and shared experiences.

Farewell Reel

Scholarship test for Grade X Students

A comprehensive admission scholarship test was conducted on the 28th of January for Grade X students aspiring to pursue their academic journey in our esteemed institution simultaneously aiming to score top ranks in IIT, NEET, CLAT, and IMP entrances.

The career orientation program that followed the scholarship test facilitated an informed decision-making process for parents, equipping them with the requisite knowledge to support their children in making well-informed choices regarding their academic and professional trajectories.

YOU'RE THE Best & WISH YOU ALL THE BEST

- As the examination period approaches, we wanted to take a moment to extend our heartfelt best wishes to our dear students of board batch
- Board exams can be demanding, but your conscientious efforts have undoubtedly equipped you with the knowledge and skills necessary to navigate them successfully.
- As you enter the examination hall, we encourage you to remain calm and focused. Trust in the preparation you have diligently undertaken, and remember that you have the capability to perform at your best.
- Approach each question with a clear and composed mind, and tackle them systematically, drawing upon the knowledge you have acquired over the course of your studies.
- It is natural to feel a mix of emotions during this time, but have confidence in your abilities. You have demonstrated resilience and commitment throughout your academic journey, and these qualities will undoubtedly serve you well in the examination room.
- We have full faith that your hard work and determination will yield favorable results.
- Remember that examinations are a means to gauge your understanding and application of the subject matter, and they are not a measure of your worth or potential.
- Regardless of the outcomes, this experience will contribute to your personal and intellectual growth.
- Stay positive, believe in yourself, and take pride in the effort you have invested in your education.
- We wish you success and fulfillment in your examinations. May your efforts be rewarded with the outcomes you aspire to achieve.
