On the first day of the New Academic Year, DRS warmly welcomed the excited children of PYP.

WELCOME BACK TO SCHOOL

Students relished a warm welcome at a special assembly led by teachers. They engaged in team-building activities, broke the ice with introduction games, established essential agreements, and wrapped up with thrilling games, setting the tone for an exciting academic year ahead.

Witnessing their enthusiasm and unity was heartwarming. With their boundless curiosity and creativity, we anticipate a year filled with growth and laughter.

SCHOOL TOUR

In the vibrant corridors of our school, fresh faces filled with anticipation, join the guided tour led by our dedicated PYP Facilitators. With eager eyes, they explored vibrant displays, visited the library, and frolicked in the playground, immersing themselves in our vibrant community. A visit to the front office and a warm welcome have ensured a sense of belonging. Meeting key personnel added depth to their budding connection with the school.

Assembly by PYP-5 Daisy

Theme---> Collabroration

The inaugural PYP assembly was a standout moment, filled with warmth and enthusiasm from our students. Highlighted by a captivating dance performance, the emphasis on collaboration and kindness left a profound impact on STUDENTS.

It served as a powerful reminder of the value of unity and support as we embark on our academic journey together. Additionally, we took the time to appreciate the allocation of House masters and the celebration of Da Vinci Day, further enhancing the sense of community within our school.

SPECIAL ASSEMBLY BY PYP-5 DAFFODIL

Theme-----> International Earth Day

On International Earth Day, PYP-5 Daffodil gave a presentation of their assembly. Children considered the value of protecting Mother Earth and demonstrated the value of teamwork in learning and accomplishing goals through a skit and poster presentation.

The learners were enlightened about the value of preserving nature for future generations and encouraged them to think critically about the steps that need to be done to do so.

GREEN DAY

We celebrate Green Day to show our love and care for mother Earth. The Green denotes fertility, prosperity, greenery, and our beautiful nature. Taking care of the environment is our responsibility, it always gives us everything, it gives us air to breathe, beautiful phenomena to watch, nature to enjoy, and so on. Green Day is not just a day with the colour green; it's also a day to celebrate our beautiful planet Earth and learn how to take care of it!

We **NEED** More **TREES**

GO GREEN

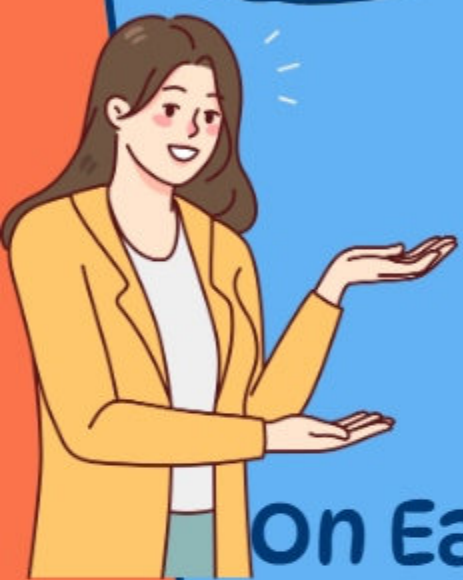

Learners participated in green day activities like thumb print, colouring, leafs printing etc. Show and tell event conducted where learners brought the green colour things and shared a few lines about it. Green day takeaway given to each child for the colour recognition.

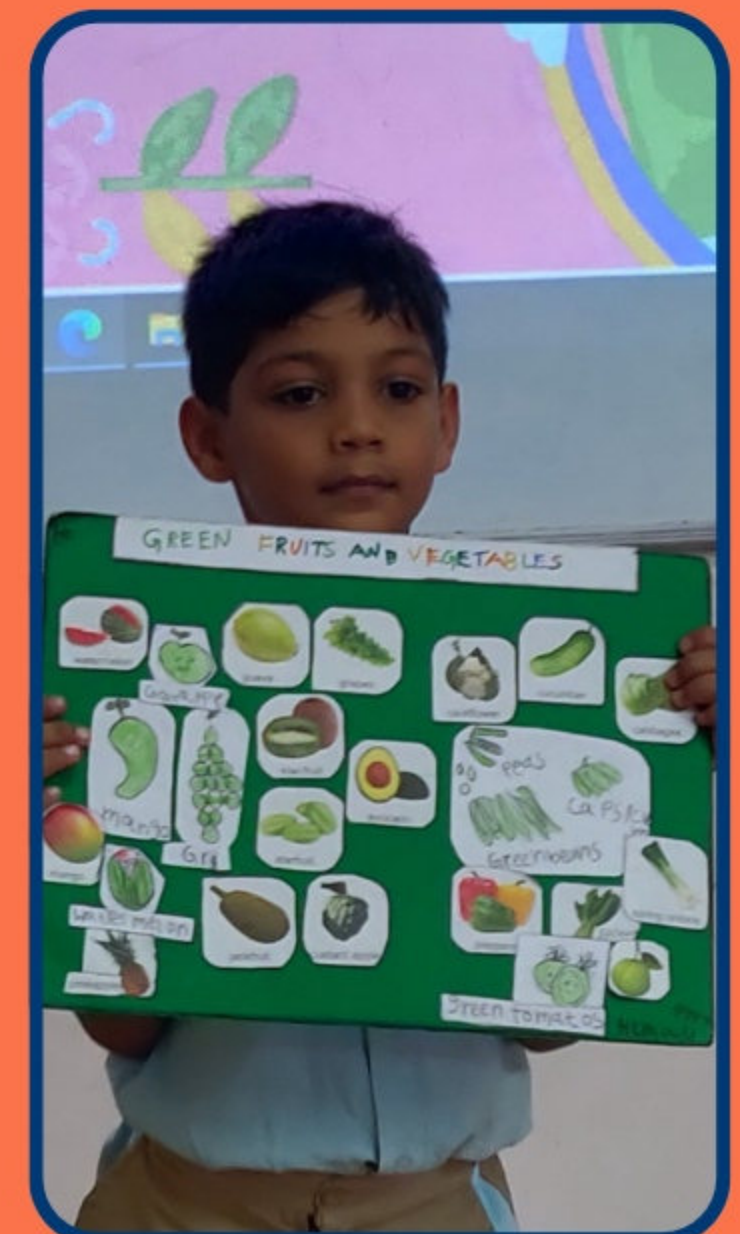

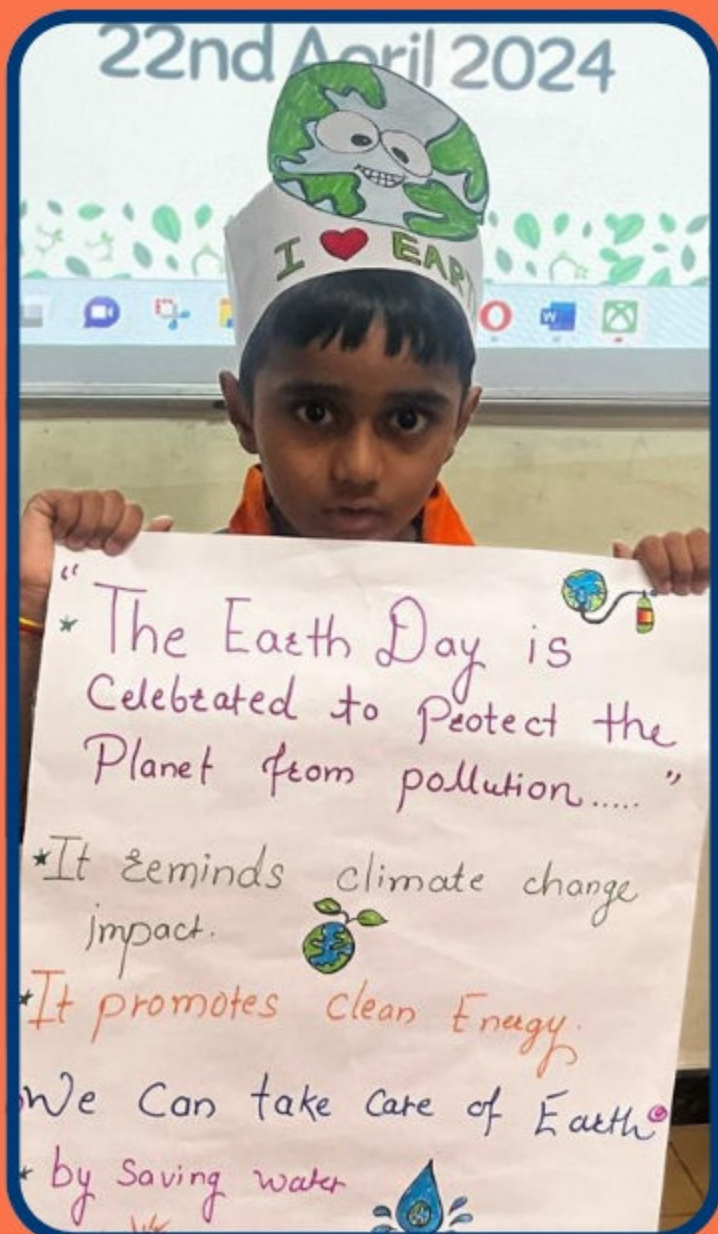

SHOW AND TELL

On Earth Day, students exhibited creativity by transforming waste materials, emphasizing the reuse of resources. Their innovative projects not only mitigate environmental impact but also encourage others to embrace sustainable practices for a healthier planet. During a show-and-tell, learners enthusiastically discussed their preferred choices, exploring the benefits of consuming green vegetables. Through visual aids like charts and posters, they conveyed the importance of healthy eating. Earth Day unites people globally to honor and protect the planet, inspiring learners to make eco-conscious choices daily.

Sunny Delights

EYP LEMONADE DAY EXTRAVAGANZA!

Lemonade Day was a hands-on adventure for our young learners as they squeezed limes and turned them into delicious lemonade on a sunny day. They celebrated their hard work with a lively lemonade party, sipping their creations with laughter and joy.

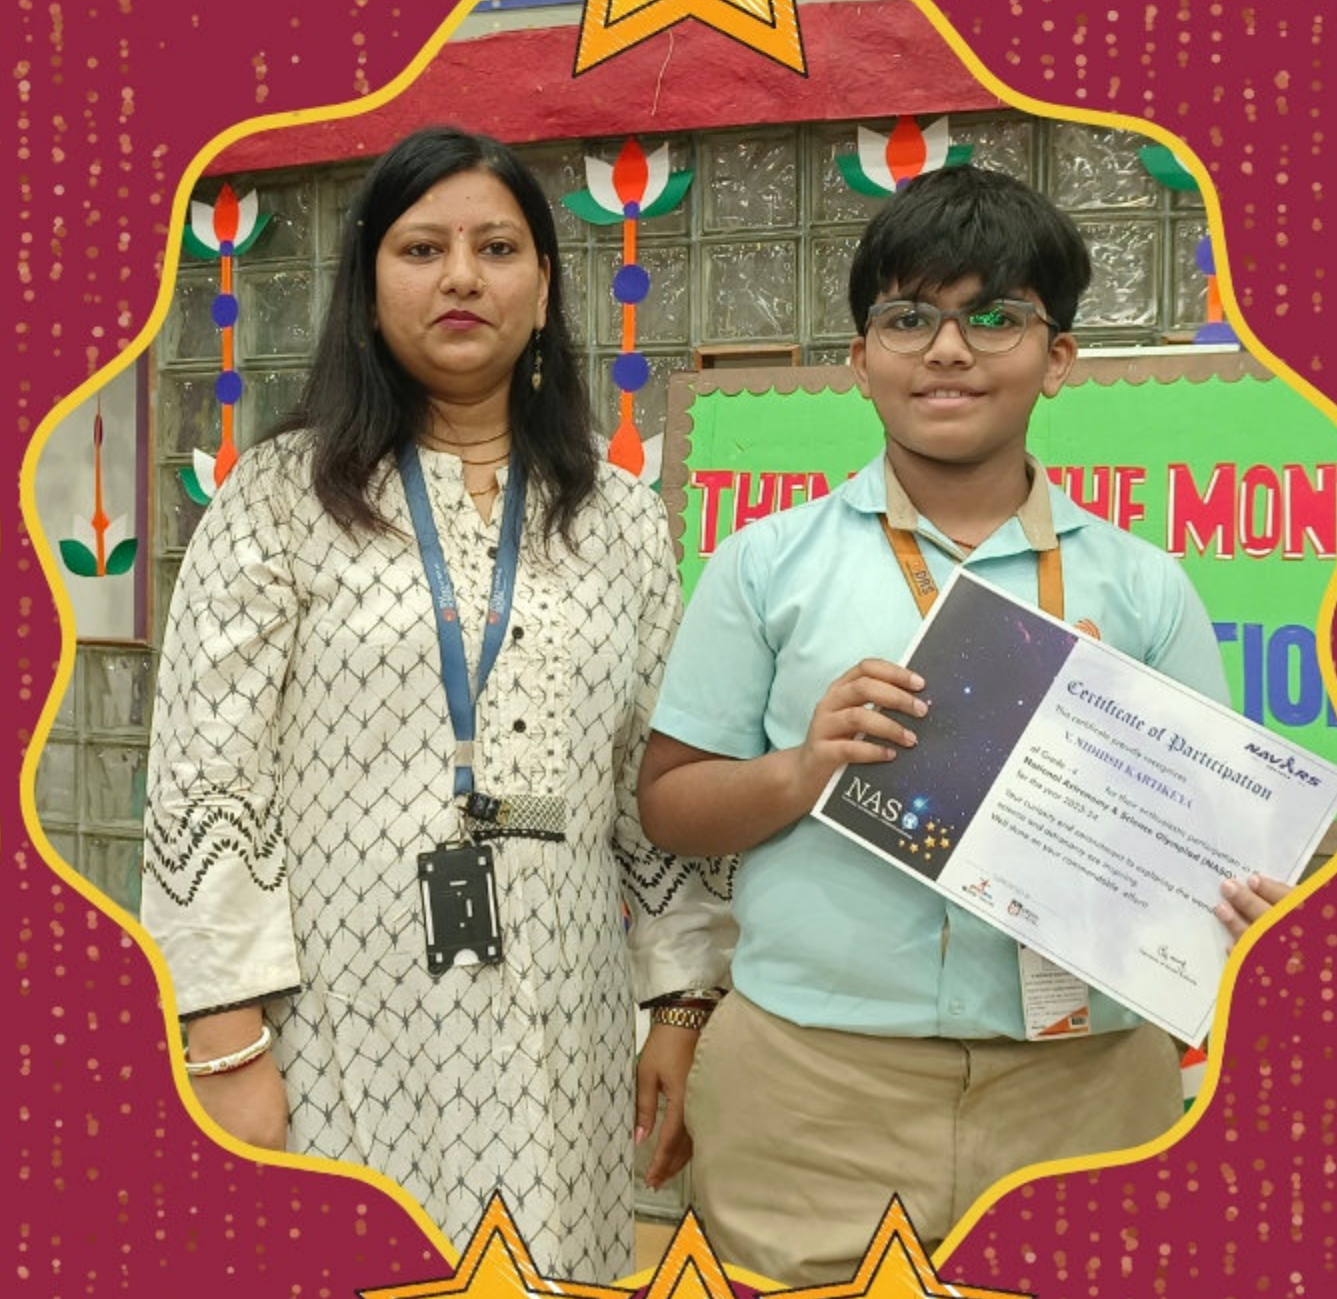

Adding to the fun, they explored their creativity with lemon print activities, leaving colorful marks on paper. The day ended on a high note with a cheerful photoshoot, capturing the memories of their lemon-filled adventure.

Achievements of the Month

We celebrated the achievements of past award winners from the fields of Dance and National Astronomy & Space Olympiad (NASO). Their dedication and excellence served as inspiring examples for us all, reinforcing the importance of hard work and commitment in achieving our goals. Here's to more uplifting experiences and achievements in the years to come!
